AFFIDAVIT OF MERIT

I, Dale E Panzer M.D. being over 18 years of age hereby state:

1. I am a licensed Physician in the Commonwealth of Pennsylvania. I am Board Certified in Psychiatry by the American Board of Psychiatry and Neurology.
2. I have extensive experience assessing patient safety and making appropriate recommendations for patient care including as past year Unit Chief, Associate Medical Director and Medical Director of inpatient psychiatric units.
3. For over 20 years I have been in the continuous practice of psychiatry, which has required me to regularly assess patient safety and make appropriate treatment and clinical care

recommendations.

4. I have no financial interest in the outcome of this case
5. Based upon the records I have reviewed, it is my opinion that there is a reasonable probability that the care provided in the psychiatric/psychologic treatment of Troy Bowser while at the Atlantic County Jail leading to his death on or about April 13, 2016, by CFG Health Systems, LLC, its employees and agents, fell outside a reasonable psychiatric standard of care.

Sincerely,

Dale E. Panzer, MD

Board Certified Psychiatrist #45301
